TOO HIGH!

Some people have the idea that the cost of Electric Light is too high—that it is expensive.

Look at it this way—If it is safer, cooler, cleaner and more cheerful and convenient than any other illuminant, isn't it worth more to you?

We can easily show you that our rates are fair as compared with other cities and lower than in many. And our service is constant and sure. The lights always burn.

\$3.75 Mother's Oats Fireless Cooker and a complete assortment of MOTHER'S CEREALS - all for \$2.84

The Mother's Oats Fireless Cooker actually cooks without fuel. It solves the servant problem, the fuel problem and the delayed dinner problem. It saves 80% of your present coal or gas bills, and 90% of your present kitchen worries. When you own a Mother's Oats Fireless Cooker, you simply place your oatmeal (or anything else that you want to prepare) on the stove, bring it to a boiling point, remove, place in Fireless Cooker, put the pad in position, tug the draw-string, and go to bed. While you're sleeping, the food will keep cooking itself. Nothing can boil over or burn or spoil. During the day you can start soup or joints or vegetables, place them in the Cooker, visit your neighbor, go to the matinee, or shop, without any thought of a hot, stuffy kitchen range.

Now, there is only one way that you can get a Mother's Oats Fireless Cooker, unless you want to go to a store and pay \$3.75 for it, and that is by being a user of Mother's Cereals, the best cereals, prepared in the largest mills, and sold everywhere by the best dealers in every town. In every package we place a coupon, and when you have 125 coupons we'll send you the \$3.75 Fireless Cooker for nothing. If you want a Fireless Cooker in a hurry, you can either buy ten packages of MOTHER'S OATS or any other Mother's Cereals, and get the Cooker immediately by paying \$1.15 in cash or upon the following basis:

50 coupons and \$.75 cash
35 coupons and .90 cash
25 coupons and 1.00 cash
15 coupons and 1.10 cash
10 coupons and 1.15 cash

THIS FIRELESS COOKER is 12 inches high and 12 inches in diameter. Two Fine Agate Ware Pans go with it.

City Council Held Its Regular Meeting Last Evening.

The city council held its regular meeting last night with all members except Alderman Butler present. The first discussion that was taken up was the question of having the births, marriages, and deaths compiled from the years of 1823 and 1857. Charles DeF. Bancroft was on hand and said he would do the work for 125 cents each item. Mayor Dawley said he was in favor of having the work done but that the members should not forget the condition of the city finances. The books were then looked over to see where expense could be saved. A discussion of the school situation was then taken up and it was voted to hold a meeting October 20 with the land owners present and thresh the matter out if possible. The rest of the evening was taken up with routine business with the exception of a report concerning the fire alarm system which showed it to be in very bad shape. The meeting adjourned about ten o'clock.

Miss Annie Stewart of St. Johnsbury has been engaged by Percy E. Pope to take charge of the nursing department of his store. Miss Stewart comes from St. Johnsbury.

A very interesting lecture was given last night before the Trinity Brotherhood by Rev. T. R. Frost of St. Johnsbury on "The Unbaked Man." A very large audience listened to the lecture.

The funeral of Thomas Moren took place yesterday afternoon in St. Augustine's church at two o'clock. The stone cutters union had charge of the funeral. Interment was made in the Catholic cemetery.

The Woman's Christian Temperance Union met with Mrs. G. B. B. Denny on Elm street yesterday afternoon. A report of the delegates to the convention at Burlington was read, and was followed by a discussion of the subject of hygiene and heredity.

The old jail property on Elm street passed into the Old Fellows hands yesterday. The building was practically purchased in the spring for a club house but the deed was not obtained by them till yesterday. The building will probably not be remodeled this winter.

The Central Vermont pile driver arrived at the junction Wednesday and will be used in setting the foundations of the new coal chute which will be built there. This will eliminate the possibility of another collision of yard engines such as happened a short time ago.

Orange Holden is said to have been rather badly battered in an argument he had with Lewis Morse Wednesday evening. Holden was talking to a lady when Morse came up and "batted in." Holden resented this with a blow and Morse retaliated several times which marked the other man in the shape of a black eye. Both were allowed to go when the officer was called, but the case of Morse will be investigated later.

B. M. Gordon, owner at one time of the Field restaurant on Langdon street, has received his discharge in bankruptcy, there being no objection filed with the court. When the case of F. G. Lamberton of Marshfield, lumber dealer, came up Monday afternoon on the question of discharge, notice of objection was filed by Attorneys H. C. Shurtliff and F. L. Laird, who appear for some of certain creditors, and they were given 20 days to file their specifications. It was claimed that if the plaintiff received a verdict in the Meers-Daniels case, the evidence during the trial showed that there would be something coming to Lamberton.
